Reference: Application 10/707,242

Subject: Action Letter 1241

To: Jesse A. Fenty  
Art Unit 2815

Dear Jesse A. Fenty,  
In response to the action letter I amended claims of the application to limit the invention to single disclosed species. Claim 1 becomes the primary generic claim. It discloses the method of the invention that further specialized in claims 1-14. The method of the invention can be reduced to practice in device of the invention. Dependent claims 15-24, 26 disclose the device structures. Claims 25 and 27 have been canceled.

Respectfully,

Igor V. Touzov (customer #34185)
